Business Meeting

6/22/01

The financial statement and the minutes of the February 16, 2001 minutes were in each packet and approved as written.

President Jo Rene reminded everyone to check where their particular county is located on the fax tree and be sure to pass on any information they might receive.

Alvin will be taking pictures (actually mug shots) of everyone for our newest directory sponsored by Jim Harris and Associates.

President Jo Rene appointed a Procedural Manual Review Committee: Gail Lutrell, Chairman and Dorothy Keathly.

Alvin Black and Judy Burnett are rotating off the Continuing Education Board and being replaced with Judy Huchinson and Sandra Beck, who will be serving with Roger Haney and Vivian Hightower.

Jo Rene has appointed an Audit Committee of our Association Books: Alvin Black, Chairman and Verna Rogers.

The Executive Committee will be reviewing the five applications for scholarships and the names will be announced at our August meeting. We grant two \$500 scholarships: one from our association and one sponsored by Jim Harris and Associates.

President Jo Rene also appointed an SAU Evaluation Committee of Roger Haney, Chairman, Marcy Porter, Vivian Hightower, Judy Burnett and Alvin Black.

The Executive Committee will be reviewing and revising the association bylaws in the next couple of weeks if you have any suggestions.

At a recommendation from the Executive Committee we voted not to retain our lobbyist after June 2001.

The Travel Award of \$10.00 was won by Ronnie Baird of Miller County.

Our next Association meeting will be in August at the AAC meeting and our next continuing education seminar will be November 7, 8 and 9 at Lake De Gray with a 1950's theme. The lodge number is (501) 865-2851.

Respectfully Submitted,
